83IB/40 & 83/40

- Solid machined brass body
- Double ball shackle locking
- Alloy steel shackle with Nano-Protect™ plating for security and excellent corrosion resistance
- Removable core cylinder for quick rekeying
- Incorporates the popular 570 6 pin style barrel
- Silca LW5 keyway
- Patented Easy Change shackle feature allows shackles to be changed within seconds
- Patented Z-Bar allows padlock to be easily converted from non key-retaining to key - retaining
- Compatible with most restricted keying systems including Lockwood, Bilock and Kaba
- Accepts most KNK cylinder assemblies

83/45 & 83CS/45

- Solid machined brass body
- Double ball shackle locking
- Alloy steel shackle with Nano-Protect™ plating for security and excellent corrosion resistance
- Removable core cylinder for quick rekeying
- Patented Easy Change shackle feature allows shackles to be changed within seconds
- Patented Z-Bar allows padlock to be easily converted from non key-retaining to key - retaining
- Compatible with most restricted keying systems including Lockwood, Bilock and Kaba
- Shackles available in a choice of materials
 - alloy steel with Nano-Protect™ plating, stainless steel and brass
- Accepts most KNK cylinder assemblies

83/50 & 83CS/50

- Heavy duty, satin nickel-plated brassbody
- Double ball shackle locking
- Alloy steel shackle with Nano-Protect™ plating for security and excellent corrosion resistance
- Removable core cylinder for quick rekeying
- Patented Easy Change shackle feature allows shackles to be changed within seconds
- Patented Z-Bar allows padlock to be easily converted from non key-retaining to key-retaining
- Compatible with most restricted keying systems including Lockwood, Bilock and Kaba
- Accepts most KNK cylinder assemblies
- Shackles available in a choice of materials
 - alloy steel with Nano-Protect™ plating, stainless steel and brass

83/55 & 83CS/55

- Chrome, hardened steel body with
- Nano-Protect plating
- Double shackle ball locking
- Alloy steel shackle with Nano-Protect™ plating for security and excellent corrosion resistance
- Removable core cylinder for quick rekeying
- Patented Z-Bar allows padlock to be easily converted from non key-retaining to key-retaining
- Compatible with most restricted keying systems including Lockwood, Bilock and Kaba
- Accepts most KNK cylinder assemblies
SCEC approved for SL3 (with an approved keying system & key retained)

83/60

- Chrome, hardened steel body with
- Nano-Protect plating
- Double shackle ball locking
- Alloy steel shackle with Nano-Protect™ plating for security and excellent corrosion resistance
- Removable oval cylinder for quick rekeying
- Patented Z-Bar allows padlock to be easily converted from non key-retaining to key-retaining
- Compatible with most restricted keying systems including Lockwood, Bilock and Kaba
- SCEC approved for SL3 (with an approved keying system & key retained)

83/80

- Chrome, hardened steel body with
- Nano-Protect plating
- Triple shackle ball locking
- Alloy steel shackle with Nano-Protect™ plating for security and excellent corrosion resistance
- Removable oval cylinder for quick rekeying
- Patented Z-Bar allows padlock to be easily converted from non key-retaining to key-retaining
- Compatible with most restricted keying systems including Lockwood, Bilock and Kaba
- SCEC approved for SL4 (with an approved keying system & key retained)

85MAR/45

- Satin pearl-plated brass body
- Double ball shackle locking
- Stainless steel shackle for extreme corrosion resistance
- Removable core cylinder for quick rekeying
- Patented Easy Change shackle feature allows shackles to be changed within seconds
- Patented Z-Bar allows padlock to be easily converted from non key-retaining to key-retaining
- Compatible with most restricted keying systems including Lockwood, Bilock and Kaba
- Accepts most KNK cylinder assemblies
- Optional weather cover available

83WPIB/53

- Solid machined brass body
- Double ball shackle locking
- Stainless steel shackle for extreme corrosion resistance
- Full plastic jacket with sophisticated drainage system
- Removable core cylinder for quick rekeying
- Patented Easy Change shackle feature allows shackles to be changed within seconds
- Patented Z-Bar allows padlock to be easily converted from non key-retaining to key-retaining
- Compatible with most restricted keying systems including Lockwood, Bilock and Kaba
- Accepts most KNK cylinder assemblies

83WP/53, 83WPCS/53 & 83WP/63

- Steel body
- Double ball shackle locking
- Alloy steel shackle with Nano-Protect™ plating for security and corrosion resistance
- Full plastic jacket with sophisticated drainage system
- Removable core cylinder for quick rekeying
- Patented Easy Change shackle feature allows shackles to be changed within seconds (83WP/53 only)
- Patented Z-Bar allows padlock to be easily converted from non key-retaining to key-retaining
- Compatible with most restricted keying systems including Lockwood, Bilock and Kaba
- Accepts most KNK cylinder assemblies
