

# 6400 NARROW SQUARE END PLATE FURNITURE

## Features

- A true rectangular narrow plate displaying clean modern lines with bevelled edges
- Manufactured using hygienic and corrosion resistant 316 Solid Stainless Steel
- A characteristic feature of Stainless Steel door furniture is the naturally gleaming finish
- Concealed fixed external plates with visible fixed internal plates connected with bolt through fixings
- Extensive range of optional plate functions
- Designed with bolt through fixing for use with Australian narrow stile mortice locks and latches
- Non handed plate with oscillating lever action for quick reversal of handing.
- Heavy duty spring mechanism manufactured using the highest grade materials
- Nylon shim preventing metal to metal wear and providing a smoother friction free movement
- All turn snibs and privacy snibs on plate are supplied with a heavy duty star spindle for positive turn actuation and furthermore provides for true installation alignment
- Certain Coastal Series lever designs are not compatible with all narrow backset mortice locks. Check your requirements against the suitability chart in this brochure
- Disabled turn's on plates 6407 and 6417 feature a user friendly finger grip of non entrapment design. Designed with the assistance of access consultants and are AS1428.1 compliant
