

KABA[®]

Narrow Style Series Mortice Lock Furniture

Designed for use with contemporary Australian narrow style mortice locks

Narrow Style Series Mortice Lock Furniture

The Kaba Narrow Style furniture series is designed for use with the Kaba SBM Narrow Style mortice latch & similar products. Available in square end N600 Series and round end N100 series to compliment the modern architectural design of lever handles in Kaba's range of door furniture.

Features

Constructed from forged brass handles and plates including an integrated precision ground bush providing superior handle support and combined with a

heavy duty compression spring eliminates lever handle sag.

Fixing

Plates are 12mm thick and are designed to fit back to back with 2 x M4 through fix screws. Concealed fixing to outside and Visible fixing to inside. Screws supplied with concealed plates only.

Handing

The levers are Non-Handed & easily converted on site by rotating lever 180°.

Door Thickness

Supplied with 2 x lengths of fixing screws (2 x 55mm & 2 x 68mm), the Kaba Narrow Style furniture series is supplied to suit door thickness 32mm to 50mm.

Thicker doors require extended spindles, turn bars & fixing screws.

Lever and Knob Design

Plates are only available in the 25 Lever handle design.
