

Satin Brass

Luxury at every turn.

Legge's Luxe. portfolio has expanded with the introduction of four new finishes; oil rubbed bronze, satin black chrome, satin brass and antique bronze. These new finishes add to the original range of satin chrome, chrome and polished brass.

With a total 7 luxurious finishes, 16 lever and 5 plate designs to choose from, the New Zealand designed and assembled Legge Luxe. finishes portfolio is the perfect touch of luxury at every turn.

 Legge Finishes Portfolio

Oil Rubbed Bronze.
Perfect for rustic, down-to-earth spaces.

Satin Black Chrome.
It's striking, versatile appearance bridges traditional and modern styles.

Antique Bronze.
Rich brown hues and golden undertones in a warm, welcoming appearance.

Satin Brass.
Bold without being over the top, with the perfect amount of understated style.

Chrome.
A mirror-like finish for a contemporary or retro setting.

Polished Brass.
A highly reflective, warm golden sheen for a vintage appeal.

Satin Chrome.
Its subtle lustre is edgy and alluring, but never grandiose.
